AMENDED

Dear Ms. Williams,

I ask that you please consider this letter of explanation. As per our conversation on May 15, 2006 I am in receipt of your letter dated May 12, 2006 which states a "Notification of Material Error or Omission In A Receipts and Expenditures Report." The \$500.00 cash donation from Jim George was a petty cash fund set up by me for my campaign expenditures and came from my personal funds. This is our first experience with this type of reporting and we were not aware that this should have been recorded as an "In Kind" contribution. There for our ending balance for our bank account should have read \$31.59. I ask that all corrections be made and we will strive to not make this mistake again. Please accept our apologies for this error. Thank you for your advise and guidance, it was greatly appreciated.

Sincerely,

Jim George
